

Wouldn't you love to talk about God?

DIVE DEEPER

A THREE-WEEK CHALLENGE TO HAVE **SPIRITUAL CONVERSATIONS**
WITH THREE FRIENDS

1 - 22 SEPTEMBER

3 WEEKS
3 FRIENDS
3 CONVERSATIONS

We all have conversations that skim safely across the surface, but rarely do these lead to deeper relationships or opportunities to talk about Jesus.

Dive Deeper is your chance to make progress in this area and encourage others to do likewise.

STEP 1

DISCOVER YOUR GIFTS

Register to measure your **EvQ** (like IQ, but for evangelism!). Deeper conversations don't just *happen*. Dive Deeper will help you see your strengths and recognise the conversation opportunities around you.

STEP 2

SET A PERSONAL GOAL

Move beyond good intentions to set real challenges. You'll receive support, resources & tips (even optional group consultations) to grow in skills & knowledge, while developing the confidence, community & character to have deeper conversations with your friends.

STEP 3

ENCOURAGE OTHERS

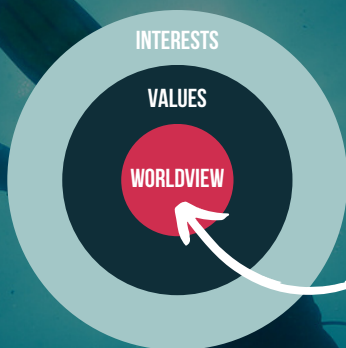

You're not alone in this journey! Access our (private) campaign Facebook group—a safe space to share real stories, tips & examples with one another.

So...what is a spiritual **CONVERSATION?**

For this campaign, spiritual conversations are conversations about God. They are conversations where we listen to what someone else believes about God (or gods, or no God), or where we've shared something about what we believe about God.

If you follow Jesus, spiritual conversations will naturally lead you to talk about the difference He's made in your life! But it's okay if you don't get to unpack everything you believe, or if you don't explain the full Gospel; simply asking questions (and listening to someone's answers) are also spiritual conversations we're encouraging in this campaign!

*Spiritual conversations land in the **worldview** layer*

Still unsure? **SEE HOW YOU TALK ABOUT GOD**
